

From the MD's desk

Last few months have been very critical to us. We have been working very hard as a team to bring to you something very close to our heart - our first 'Made-In-India' power tiller. The first batches have already reached dealer points and we have started steady sales. We are sure that our new product, made with precision for best performance, will be very popular amongst our farmer friends.

Ravi Todi, MD, Shrachi Group

INTRODUCING

VIRAT 13HP
POWER TILLER

Proudly Made-In-India

SHRACHI
VIRAT 13HP
POWER
TILLER

MADE WITH PRECISION FOR BEST PERFORMANCE

Made in India

Sunshine Orange

Bright Dual Headlights

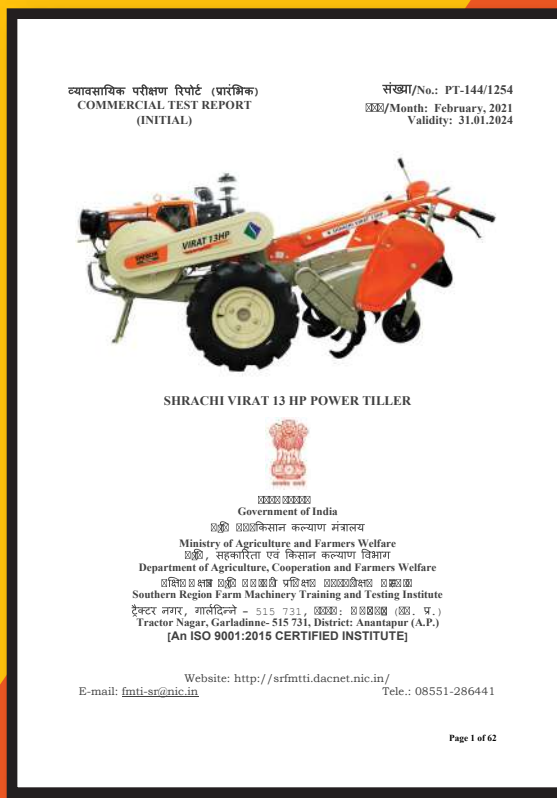

Optional Seat

Shrachi Virat 13HP is a superior tiller, manufactured with precision and care in India. Powered by 13HP diesel engine, this tiller has an attractive look with bright dual head lights. This tiller comes with optional seat for the farmers.

Shrachi Virat has robust built quality and can work in dry as well as wet land and is very suitable for farming of crops like paddy, wheat, sugarcane, cotton and horticulture plants like coconut, guava, mango etc. Very much suitable for inter-cultivation, this tiller is light weight and fuel efficient.
